

**Abby Beale CCH RSHom(NA)**  
**Homeopathic Consultation Consent/Agreement**

Abby Beale has been studying homeopathy since 2003. She has completed a basic two-year program PLUS six years of clinical training with the New England School of Homeopathy and continues to take professional development courses regularly. She achieved national certification (CCH) through the Council for Homeopathic Certification and is a registered member (RSHom(NA)) of the North American Society of Homeopaths.

Homeopathy treats underlying weaknesses and susceptibilities to the disease process by assessing through an interview the state of one's mental, emotional and physical well-being. Homeopathy is compatible with most orthodox, complementary or alternative medical treatments, so you may choose to utilize the benefits of more than one discipline.

Homeopathy by philosophy, science and practice does not diagnose or treat disease. The diagnosis and treatment of disease is solely within the license of the medical profession. **If you know or suspect that you have a condition which may warrant the care of a licensed medical professional, you should see one as soon as possible.**

**Confidentiality**

I understand that all information disclosed is confidential and may not be revealed to anyone without written permission, except where disclosure is required by law.

**Consultation**

I authorize discussion of my case notes with other professional homeopaths should assistance in remedy selection and/or symptom analysis be required (for myself or my child) or my best interest is served by such a consultation. In so doing, my right to privacy will be protected by withholding my name, but I give Abby Beale CCH permission to submit a video or audio of our consultation, or a photo (of myself or child) if needed. I also give her permission to call my home or email me if she needs to ask me further questions to assist in a remedy selection. I agree to provide a follow up interview via phone or in person at pre-determined intervals.

**Payment**

Payment is expected at time of service. It can be made by Venmo (@Abby-Beale-1), PayPal (homeopathyhealings@gmail.com), credit card or check made out to "Abby Beale". You can keep your credit card on file (securely through Square) if you desire for your convenience.

**Consent**

I am over 18 years of age and have voluntarily chosen homeopathic treatment for myself/for my child. I understand that Abby Beale CCH is a homeopath and NOT a medical doctor, and it is therefore strongly recommended that I retain the services of a primary care physician for appropriate evaluations and check-ups for myself/ for my child. I further understand that Abby Beale CCH does not diagnose, treat or prescribe for any particular symptom, disease or condition. I understand that she will work with me on increasing my/my child's general vitality and constitutional strength.
