=====

Appointment Location

I work in person on most Monday's in my office in Northampton, MA and the remainder of the week via Zoom. I also work several weeks a year from Florida so everything is on Zoom then. When we talk, we will decide when and where we will meet.

Tracking Your Appointment Fee

If after you start working with me on your chronic issues, you may have a need for an acute consult, such as coming down with an illness or having surgery. When we connect, your pre-paid package is then debited for the amount of time spent working with you on these unexpected issues. I will let you know when your pre-payment is close to depletion.

Referrals Welcome with a Thank You

When you refer someone to my practice and they become a new client, you will receive my thank you in the form of a pre-paid credit for one follow-up appointment – value \$75. Make sure the person you refer mentions your name to receive your credit.

Cancellation Policy

I believe in maintaining both respect of time for both my clients and myself. The homeopathic consultation is extremely thorough and takes a significant amount of time. This specific block of time is reserved for your full, uninterrupted session. Please allow a minimum of 48 hours' notice for this cancellation. Any cancellations made less than 24 hours without notice will be charged the full amount unless the appointment can be filled. Thank you for your consideration.

*Payments can be made by PayPal, Venmo, Zelle, personal check or credit card.
Also accepting HSA credit cards. Sorry no debit cards accepted.*
